

WEEK 2

Science Workshop

Engaging Workshop Brings Science to Life for Highfield Primary School!

This week, Winchmore had the pleasure of hosting an exhilarating workshop conducted by members of our esteemed Science faculty, along with the invaluable assistance of a talented sixth form student. The workshop proved to be a resounding success, igniting excitement and curiosity among the students through hands-on scientific exploration. They had the unique opportunity to delve into flame tests and food tests, gaining firsthand experience in these captivating experiments. Furthermore, they were treated to a series of awe-inspiring demonstrations, including methane bubbles, elephant's toothpaste, rainbow fizz and the thrilling whoosh bottle.

We extend a heartfelt thank you to the incredible team behind this remarkable workshop: Mr. Pilbeam, Ms. Ronketti, Ms. Danila, Mr. Nagrani, Ms. Koumis, and Nikolas from Year 12. The enthusiasm and brilliance of our young participants were truly commendable, and it was evident that everyone had a fantastic time. This workshop not only enriched their scientific knowledge but also fostered a genuine passion for exploration and discovery. We are immensely grateful for the dedication and expertise of our staff and the invaluable contribution of Nikolas. Together, they created a memorable experience that will undoubtedly leave a lasting impact on the students' scientific journey.

Free
Breakfast
for
Year 11!

We are offering **Free Breakfast to Year 11 Students** while they are taking their exams. They can pick up a piece of fruit with a waffle or a flapjack from 7.45am every morning.

Arrangements for the Exams

- Students will be expected to be in school in the Sports Hall Playground for 8:10am for morning exams. Please queue up in subject lines where it says '6th form' in the playground. We will be making a prompt start at 8.30am.
- For afternoon exams, you will need to be in the Sports Hall Playground for 12:40. We will be making a prompt start at 1pm.
- Before each Exam the Hand Bell will ring to signal students should be in their lines in the Sports Hall Playground and be quiet.
- In order to make a prompt start can you please make sure you already have your phones and watches off and in your bags as well as all electronic devices and airpods.
- Have all your equipment ready** - Please bring all relevant equipment to each exam! 2 black pens, calculator, geometry set, ruler, highlighter etc. in a clear plastic pencil case/bag.
- Lanyards must be worn** - so Invigilators can identify you.

Sixth Form Law Students Visit the UK Supreme Court

On 11th May, Year 12 law students visited the UK's highest court, the UK Supreme Court. During the visit they viewed an exhibition about the history of the Court, participated in activities which included role playing as a Justice of the Supreme Court or a barrister and observed a court case (medical negligence) which was an appeal from the Scottish Inner House - a division of the Scottish Court of Session.

Science Club

Exciting Science Club Turnout: Rain Clouds in a Jar!

This week, our school witnessed an incredible turnout for the Science Club, with more students participating than ever before. The event brought together enthusiastic year 7 and 8 students who embarked on a captivating adventure of creating rain clouds in a jar. This weather science experiment provided a hands-on and engaging opportunity for children to delve into the fascinating world of clouds and rain. Under the guidance of Ms. Danila, who expertly explained the scientific concepts behind the experiment, the students eagerly explored and successfully created their own rain clouds. Their satisfaction was evident as they beamed with pride at their accomplishments.

Looking ahead, we have an array of exciting activities planned for future Science Club sessions. From captivating experiments to thought-provoking discussions, there will be no shortage of fun and learning for our science enthusiasts. For those interested in joining the Science Club, sessions are held on Week 1 - Wednesdays from 1:30 to 2:00pm, and on Week 2 - Mondays from 3:00 to 4:00pm. Kindly encourage your child to speak to Ms. Khanum in SC3 to express their interest and get involved in this remarkable scientific journey. Don't miss out on the chance to be a part of our vibrant Science Club community!

Ms Khanum (Science teacher)

Literacy Corner

'WINCHMORE'S WORD OF THE WEEK' CHALLENGE - week beginning 22nd May:

Word of the Week: **Reciprocate**

Word Class	Verb
Meaning	To return a feeling or gesture to someone who gives it to you; to do the same thing in return
Examples	They wanted to reciprocate the kindness that had been shown to them. Sadly, my feelings for her were not reciprocated. I helped him with his English and he reciprocated by correcting my Spanish.
Synonyms for this word	Repay Interchange Respond Return

What's the challenge? You must use the 'word of the week' in the correct context (where possible) in any of your subjects. If you are able to use it in the correct context (not just going up to your teacher and saying it – has to be relevant to what you are doing), you will get 1 'word of the week' achievement point.

Why are we doing this? To widen our vocabulary, oracy and understanding alongside encouraging a love for literacy across the school (in all subject areas).

Remember: that the student with the most 'word of the week' achievement points in the year group at the end of the half term will receive a voucher!

Enfield Carers Centre's Family Fun Day

will be hosting

ENFIELD'S GOT TALENT!
SAT 10 JUNE 2023
ENFIELD TOWN LIBRARY GREEN

Singers, dancers, musicians, comedians and jugglers, see whether you have what it takes to entertain us!
