## Well Done Karen!

WEEK  
2

### SCHOOL TRIP CHAMPION AWARD 2023

On Tuesday 6th June 2023 Mrs Tidmarsh attended the 'School Travel Awards 2023' ceremony at the Royal Lancaster Hotel. The guests were treated to a performance from the West End show 'Disney's the Lion King' and an inspirational speech by guest host Katharine Merry - former 400m Olympian. It was wonderful to be at an event that recognises inspiring people, venues and attractions providing school trips. We have certainly come away with some exciting ideas for future trips. The highlight of the afternoon was the announcement that Mrs Tidmarsh won the overall 'School Trip Champion Award'. The reaction in the room was fantastic and she received a standing ovation. Mrs Tidmarsh received a lovely trophy, certificate and a very generous £1500 for the school to spend on a future trip. She was also presented with 'Teacher Ted', who is now called Winnie Winchmore by the students. Teacher Ted has already been out celebrating Mrs Tidmarsh's win at Chessington and Thorpe Park. Watch out for him on his next trip.

I'm a  
winner!

Thanks to everyone  
who voted for me.

Huge congratulations to Mrs Tidmarsh for winning the **School Travel Awards 2023** - 'School Travel Champion'. Karen has worked tirelessly to change the lives of

young children through experiencing life outside the classroom. In particular ensuring trips are inclusive of all students and that the whole Winchmore family do not miss out on these valuable opportunities. We would like to thank all our parents/carers, students, alumni and all the Winchmore Community for voting for her.

## Highfield Primary School

On Thursday 8th June 30 year 6 children from Highfield Primary School joined us at Winchmore School for a science workshop. The children were involved in different experiments including flame tests and testing household items to see if they were acidic, alkaline or neutral. In addition they had the opportunity to observe really fun demonstrations including methane bubbles, screaming jelly baby experiment and elephant toothpaste experiment. The children were amazing, they knew so much about science and were so well behaved and so excited to be taking part. Thank you to all the science staff involved Mr Nagrani and Mrs Antonia Koumis for preparing all the resources, Miss Khanum, Mrs Edung, Yanmin and Nikolas Pikionis (Year 12 student). A special thank you to all the children involved and the staff from Highfields School.

Dr Ktori - Head of Chemistry

## UKMT Maths Challenge

Our Year 8 students at Winchmore achieved 5 Gold, 15 Silver and 11 Bronze certificates in this year's UKMT Junior Maths Challenge held on 26th April. Our best results ever!

Over 300,000 students from across the UK sat the Junior Maths Challenge with roughly the top 5% receiving a Gold certificate, the next 10% Silver and the next 25% Bronze.

Navaid Mohammed and Polycarpou Year 8 achieved the Best in School certificate. Congratulations to all the students who were awarded certificates.

‘WINCHMORE’S WORD OF THE WEEK’ CHALLENGE - week beginning 12th June:

Word of the Week: **Encounter**

Word Class	verb/noun
Meaning	Unexpectedly be faced with something or someone
Examples	The encounter had frightened him more than he would admit. This encounter was inevitable. The runners might encounter any kind of weather, including freezing temperatures, fog, rain, or snow.
Synonyms for this word	Experience    run into    come across    face    Come up against    confront

**What’s the challenge?** You must use the ‘word of the week’ in the correct context (where possible) in any of your subjects. If you are able to use it in the correct context (not just going up to your teacher and saying it – has to be relevant to what you are doing), you will get 1 ‘word of the week’ achievement point.

**Why are we doing this?** To widen our vocabulary, oracy and understanding alongside encouraging a love for literacy across the school (in all subject areas).

Remember: that the student with the most ‘word of the week’ achievement points in the year group at the end of the half term will receive a voucher!

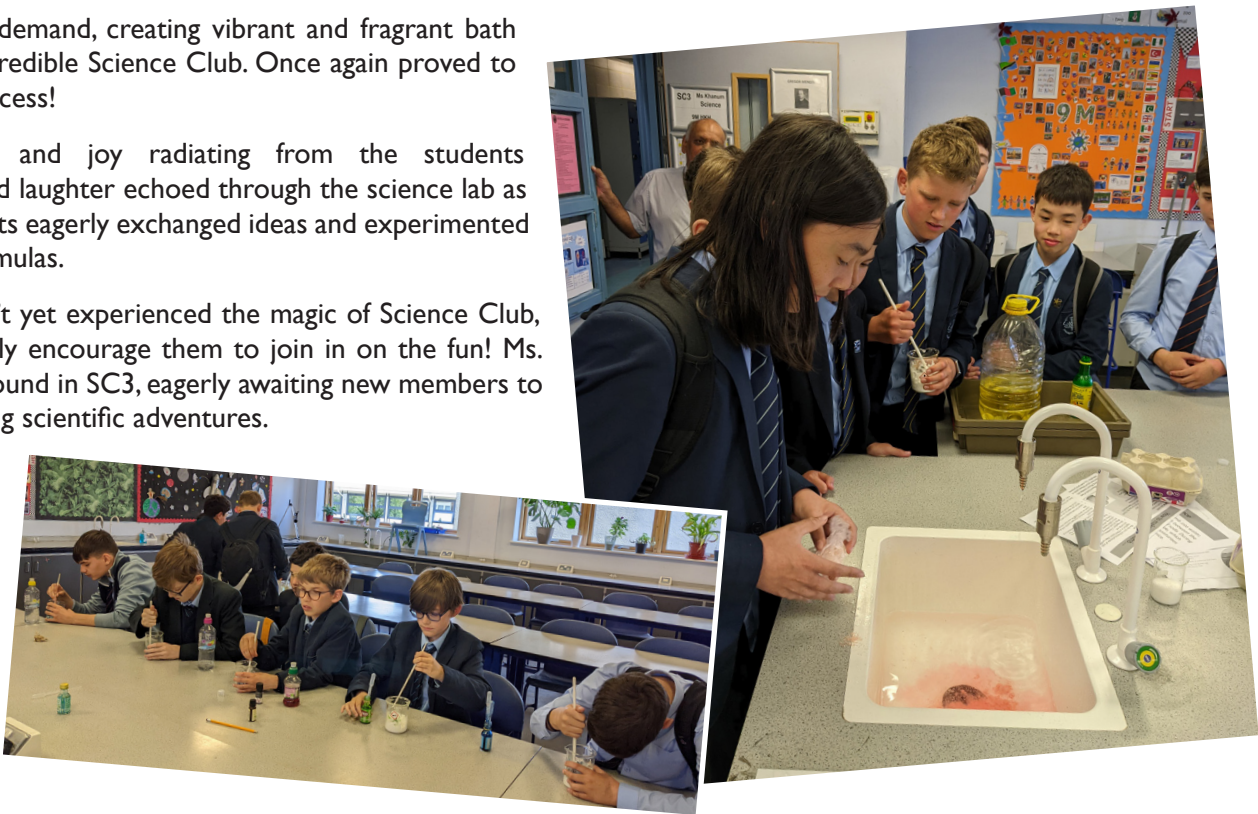

# Exciting Adventures in Science Club

Back by popular demand, creating vibrant and fragrant bath bombs, in our incredible Science Club. Once again proved to be a smashing success!

The Enthusiasm and joy radiating from the students was contagious and laughter echoed through the science lab as our young chemists eagerly exchanged ideas and experimented with different formulas.

If your child hasn’t yet experienced the magic of Science Club, we wholeheartedly encourage them to join in on the fun! Ms. Khanum, can be found in SC3, eagerly awaiting new members to embark on thrilling scientific adventures.
