Dear Parents and Carers,

ARRANGEMENTS FOR THE END OF SUMMER TERM 2024

I am writing to let you know about the arrangements for the end of this term.

On **Friday 19th July** the school will be closing for the summer due to extensive building work, which includes the construction of our new Sixth Form Centre and an unavoidable power outage. This is due to take place the following week, and requires meticulous planning and preparation in the interest of everyone's health and safety. **Students will finish school at 12.15pm.**

Resources will be available on Google Classroom for students to work from home from Monday 22nd to Wednesday 24th July.

Details for the beginning of the autumn term will be emailed to you in due course.

The completion of our new Sixth Form Centre is an exciting prospect for all of us. I would like to thank everybody for the patience and support they have shown during its construction. As we start to see the finishing touches put in place, we can see that it has all been worthwhile. The impact that it will have on our school community, especially the students in the Sixth Form, will be extremely beneficial enabling them to flourish and achieve their best.

Once again thank you for your continued support.

Yours faithfully,

Mr J Owen
Headteacher
