

## Year 10 Rewards Trip

On Thursday 6th June, 51 Year 10's went to Lee Valley White Water Centre for their end of year trip.

The students started the day by watching Team GB Kayaking team practice for the upcoming Olympics - students were fascinated by their skills and talents. Then the students split into two groups throughout the day, participating in the activities set out by the centre.

The activities our students participated in were paddleboarding and water wipeout. Students learnt how to paddleboard, kneeling or standing up and had challenges such as throwing and catching, swapping paddleboards, team challenges and more. The other activity was a water wipeout, with two courses of inflatable obstacles. Students were running on stepping stones, diving through obstacles and finishing off with a slide! Students were smiling and laughing as they tried to complete the wipeout course in under 20 seconds or seeing their teachers get thrown into the water!

The Year 10's did exceptionally well, representing the school with many of the instructors and the public crediting our students on their behaviour.

## Literacy Corner

‘WINCHMORE’S WORD OF THE WEEK’ CHALLENGE - week beginning 10th June:

Word of the Week: **Proofread**

Word Class	Verb
Meaning	Read (written or printed material) and mark any errors.
Examples	<ul style="list-style-type: none"> <li>- It's always a good idea to proofread your emails before sending them to avoid any embarrassing mistakes.</li> <li>- Before publishing the article, the journalist made sure to proofread it multiple times to catch any typos or grammatical errors.</li> <li>- The software developer meticulously proofread the code to ensure it was free of bugs and vulnerabilities before releasing the final version.</li> </ul>
Challenge	Have a go at today's Wordle : <a href="https://www.nytimes.com/games/wordle/index.html">https://www.nytimes.com/games/wordle/index.html</a>

**What's the challenge?** You must use the 'word of the week' in the correct context (where possible) in any of your subjects. If you are able to use it in the correct context (not just going up to your teacher and saying it – has to be relevant to what you are doing), you will get 1 'word of the week' achievement point.

**Why are we doing this?** To widen our vocabulary, oracy and understanding alongside encouraging a love for literacy across the school (in all subject areas).

Remember: that the student with the most 'word of the week' achievement points in the year group at the end of the half term will receive a voucher!

## Trip to Kenya

Our students are travelling to Kenya in 2024 with Camps International on an exciting four week expedition in the summer. This is an opportunity for both Staff and Students. As part of the pre-departure process, we have to fundraise money for two teachers to accompany this expedition.

This expedition will provide challenging and life changing experiences, where the students will realise their full potential. We would really appreciate donations from the wider local community. We would like to take this opportunity and thank you in advance for your generous support.

One of the ways you can support us is by donating on our Go Fund Me Page:
