

Year 8 London Lifesavers Training

On Tuesday 4th June 150 of our Year 8 students and 15 staff received training on life-saving skills, thanks to the London Lifesavers schools programme. The London Lifesavers programme focuses on teaching children essential skills such as recognising cardiac arrest, administering chest compressions to maintain blood circulation, and using a defibrillator to restart a heart.

The project's mission is to empower children with the knowledge and confidence to respond effectively during critical moments before professional medical help arrives.

The trainers from London Ambulance Service were excellent and Year 8 students enjoyed the 'hands on' experience giving chest compressions and using a defibrillator. We look forward to welcoming the trainers back to school to train the rest of the Year group.

Hazelwood Primary School Visit

On Monday 3rd June 30 Year 6 children from Hazelwood Primary School joined us at Winchmore school for a science workshop. The children were involved in different experiments including; using indicator infused agar gel discs to test for acids and alkalis, using universal indicator to test for acid, alkali and neutral solutions and preparing onion slides and viewing these using a microscope. The children were amazing, they knew so much about science and were so well behaved and so excited to be taking part. Thank you to all the science staff involved Senior Science Technician Mr Amit Nagrani for preparing all the resources, Antonia, John and Miss Zor.

A special thank you to all the children involved and the staff from Hazelwood Primary School.

Attendance News

Welcome back for the last term of the Academic Year; nearly there Year 11's!

Our Attendance took a dip last term, a lot of illness unfortunately. Attendance and Punctuality data below for your information.

A breakdown of the Form groups data will be emailed to Tutors and the Attendance Notice Board will be updated next week. We would love for you to have a chat with your child, ask them how their Form Group is doing overall and whether their name is on the Noticeboard; attendance and attainment are closely linked, so it's good to have these discussions to remind them of the importance of good attendance!

Parents, please be reminded of the schools policy on holidays; leave in term time is not permitted, unless there are exceptional circumstances. If you do need to take your child out of school, you will need to complete our Leave of Absence Request form: <https://forms.gle/LjV67F2UHGCHng6aA>

Mr Owen will only authorise absences if he feels there are exceptional circumstances and if your child has a history of good attendance.

We look forward to seeing our attendance improve, now in the last term with hopefully better weather and less illness, and we wish all our Year 11's all the very best for the rest of their GCSEs.

Please feel free to contact our Team if you wish to discuss your child's attendance, or if you have any concerns; we are all here to support you.

Regards - Attendance Team

ATTENDANCE

Literacy Corner

'WINCHMORE'S WORD OF THE WEEK' CHALLENGE - week beginning 10th June:

Word of the Week: **Plausible**

Word Class	Adjective
Meaning	Credible; believable; having an appearance of truth or reason; seemingly worthy of approval or acceptance;
Examples	<ul style="list-style-type: none"> - Considering the rise in technology integration, it's plausible that secondary school students will become more proficient in digital skills. - Considering their enthusiasm for the arts, it's plausible that the students will put on an impressive school play this year. - It's plausible that the students will significantly improve their proficiency in modern foreign languages with the introduction of the new language immersion program.
Challenge	Have a go at the Spelling Bee https://www.nytimes.com/puzzles/spelling-bee

What's the challenge? You must use the 'word of the week' in the correct context (where possible) in any of your subjects. If you are able to use it in the correct context (not just going up to your teacher and saying it – has to be relevant to what you are doing), you will get 1 'word of the week' achievement point.

Why are we doing this? To widen our vocabulary, oracy and understanding alongside encouraging a love for literacy across the school (in all subject areas).

Remember: that the student with the most 'word of the week' achievement points in the year group at the end of the half term will receive a voucher!

Trip to Kenya

Our students are travelling to Kenya in 2024 with Camps International on an exciting four week expedition in the summer. This is an opportunity for both Staff and Students. As part of the pre-departure process, we have to fundraise money for two teachers to accompany this expedition.

This expedition will provide challenging and life changing experiences, where the students will realise their full potential. We would really appreciate donations from the wider local community. We would like to take this opportunity and thank you in advance for your generous support.

One of the ways you can support us is by donating on our Go Fund Me Page:

Pride Group

What is a Pride Group?

A Pride Group is an all inclusive LGBTQ+ led group at Winchmore School which provides a safe place for students to meet, support each other, talk about issues related to sexual orientation and gender identity and expression, and work to end homophobia, biphobia and transphobia (HBT).

Why do we need a Pride Group?

Pride Groups often have a mix of different purposes:

- Get support and socialise
- Learn about LGBT+ topics and history
- Make positive change in your school

A bit more about Pride Group

- Will meet weekly on **Tuesday at 3:00 pm in room M2**
- Offers a fun, safe space for all!
- Welcomes LGBT+ students, allies or anyone with an interest in LGBTQ+ history and culture
- Pride group is open to all year groups

Want to know more?

Speak to **Mr Mills** (room M2) with any questions you have.

Trent Park Triffic Trail 2024

The ever popular Trent Park Running Club Triffic Trail will take place on 23rd June. It is a 10K (4.5K for juniors) run around the trails and paths in Trent Country Park.

It is a beautiful location with plenty of great views, woodland walks and fun running trails. This annual event attracts a range of entries from fast elite runners to first-timers and fun runners. The course has everything, from pathways and trails, woods and open fields plus a few hills and some fast roadways – the entire course is within Trent Park.

We have a race limit of 500 seniors. So enter soon, as the event is filling fast.
