

Science Workshop

On Friday 10th Jan 2025, 31 Year 6 children from Firs Farm Primary School joined us at Winchmore school for a science workshop. The children were involved in different experiments including; using red cabbage indicator to test for acids and alkalis using household items. They also got to see the methane bubbles demonstration which they really enjoyed. The children were amazing, they knew so much about science and were so well behaved and so excited to be taking part. Thank you to all the science staff involved Senior Science Technician Mr Amit Nagrani for preparing all the resources, John and Miss Cetin. A special thank you to all the children involved and the staff from Firs Farm Primary School.

Thank you Dr Ktori (Acting Head of Science and Head of Chemistry)

Available in the Library...

Catherine and her family are out for a walk when a sudden storm blows up. The children take shelter in a deserted barn which seems strangely familiar, although they have never been there before. As the daylight fades, Catherine senses the secrets of the surrounding hills press in upon her, secrets from another, older time.

Sportsmanship

What are you Reading?

I'm Miss Falconer and I am the Literacy Coordinator at Winchmore School.

It's really important that we encourage our students to foster a love of reading as it offers numerous benefits, from expanding knowledge and improving vocabulary to boosting imagination and creativity. It helps reduce stress by providing an escape, while also enhancing focus, concentration, and memory. Regular reading fosters empathy by allowing you to experience different perspectives and encourages lifelong learning. Overall, it is a powerful way to stimulate the mind and nurture personal growth.

Therefore I encourage you to pick up a book and start reading. Whether it's on the bus home, before you go to sleep, or while you're waiting to pick your sibling up from school. Expand your mind and discover something new. If you feel inspired, I encourage you to write a short review of your book and send it to me at madeleine.falconer@winchmore.enfield.sch.uk and you will be published in the Winchmore Weekly!

I am Miss Zamora and I am currently reading Prophet Song by Paul Lynch. It is a powerful story that centres on Eilish Stack, a mother of four. The novel follows her journey as her family's world is turned upside down by the rise of a totalitarian regime in Ireland. Lynch masterfully creates an atmosphere of constant tension, with each chapter intensifying the looming sense of danger. The story alternates between Eilish's present struggles and her memories, revealing the complex reasons behind her determination to protect her family. Filled with suspense, emotional depth and sharp political undertones, Prophet Song is a gripping read that is hard to put down.
