National School Attendance Award

Fischer Family Trust (FFT) is an organisation that uses data from around 8,000 schools to support school improvement. The most recent data places Winchmore School in the top 25% of all FFT and Free School Meals schools for attendance.

This is a very special achievement, as student attendance and punctuality have been challenging areas for many schools, particularly since the pandemic. To mark Winchmore's success, the FFT has awarded certificates which demonstrate and celebrate the progress made.

Well done to everyone who has made this happen, especially Form Tutors, the behaviour team and Ms Turner's attendance team who have been assiduous in managing school attendance and following up, any and all, individual issues. Special thanks also to our students, parents and carers who have worked so hard to ensure that students are in school, on time, keen and ready to learn.

We are so proud of their success and look forward to even great achievements in future.

Thank a Teacher Day

National Thank a Teacher Day is an annual celebration of teachers and support staff across early years settings, schools, and colleges. This year it will take place on **Wednesday 18 June 2025**.

Last year over 82,000 Thank a Teacher Day personalised e-cards were sent. If you would like to send your message of thanks and appreciation to a teacher in your life, you can send one through the [Teaching Awards Trust's platform](#).

Find out more about how you can get involved on the [Thank a Teacher website](#).

National Writing Day 25th June

We will be celebrating National Writing Day the week of the 25th June. We will have some activities in form time and also for students to do at home so keep an eye out on Google Classroom and around school.

Writing is a lifelong skill empowering communication and self-expression. It is crucial to children and young people's development as it enhances self-confidence and critical thinking skills, but also encourages creativity. Writing is also part of everyday life, from making plans with friends over text or WhatsApp, helping with homework, writing emails at work, or even making a shopping list. Our aim is to champion writing for enjoyment as a key part of supporting Winchmore students' writing attainment.

The National Literacy Trust has found that writing for enjoyment supports mental wellbeing, inspires creativity, helps children express their thoughts and feelings and improves writing skills. Writing can be used as a fun way to explore many different ideas and topics and helps students to feel connected to the world.

There are three categories of young writers :

- the creative writer • the mindful writer • the social writer •

The Secret Sunshine Project - Benjamin Dean

Bea's family are happy. Like, really happy. So when they visit London Pride together and have the ultimate day out, Bea doesn't think her family could possibly get any happier. But a year later, a grey cloud is following Bea's family around. Dad has passed away, and without him around they have no choice but to pack their bags and move to the countryside to live with Gran.

With Bea's big sister, Riley, taking the news hard, Bea will do anything to cheer her up. So with the help of new friends, The Secret Sunshine Project is formed - Bea's plan to bring Pride to the countryside and a smile back to Riley's face. There's just one teeny tiny problem - the village mayor. A grumpy old woman who's on a mission to rain on Bea's parade.

With a magnificent cast of diverse, inclusive, fully formed characters this is a story of pain, joy, loyalty, courage and love.
