

WEEK 1

Trip to the Silverstone Interactive Museum

Last week, 48 enthusiastic Year 8 students, accompanied by five dedicated members of staff, set off on a thrilling coach journey to the world-famous Silverstone Interactive Museum.

One of the highlights of the trip was an exclusive tour of the iconic Silverstone racetrack. Students were amazed to see genuine racing gear worn by none other than Lewis Hamilton himself, and were captivated by the speed, design, and precision of the incredible machines on display.

In addition to exploring the track, pupils took part in a hands-on motorcar workshop, where they learnt about the science and engineering behind motorsport.

What truly made this experience special was the inspiration it sparked in our students. Their enthusiasm, curiosity, and exemplary behaviour throughout the day made us incredibly proud to have them representing Winchmore School.

A huge thank you goes to the brilliant staff who supported and accompanied the students: Miss Bheekoo, Miss Osei-Afriyie, Mr Ramkhalawon, and Mr Czemerys.

This unforgettable trip was not only a fun and engaging day out but also a powerful learning experience. We look forward to more exciting opportunities in the future, as we continue to inspire and empower our students beyond the classroom. - Miss Cetin

Free Golf Lessons with a Professional Golf Player for Year 7 Girls

Our Year 7 girls have had the opportunity to participate in free golf lessons with a professional golf player Nicola Bennett. The lessons were designed to introduce the girls to the exciting sport of golf and help them develop their skills in a fun and engaging environment. The first three lessons took place in school and the last lesson was two hours at Bush Hill Park golf club. This gave the girls the chance to practice what they had learnt in a real world setting. Over the past few weeks, the girls have been learning the fundamentals of the game. From mastering their grip and stance to perfecting their swing, they've shown incredible dedication and a real eagerness to learn. We've covered everything from the basics of putting to the satisfying thwack of a well-hit drive. The girls really enjoyed the trip to the golf club and the enthusiasm on the driving range has been truly inspiring! It's been wonderful to see so many of our Year 7 girls picking up a club and discovering a new skill.

It's not just about hitting the ball, though! The lessons also focused on the etiquette of the game, the importance of sportsmanship, and the fun of being out on the green (or in our case, the practice area!). We've seen some impressive progress already, with many girls showing natural talent and a keen eye for the ball.

Beyond the technical skills, these lessons were a fantastic opportunity for the girls to develop their coordination, focus, and perseverance.

We're so proud of the positive attitude and commitment shown by all the participants. The laughter and encouragement amongst the group have created a really supportive and enjoyable learning environment.

A big thank you to Mrs Tidmarsh and Mr Merchant for driving the minibus to the golf club and for their time. A special thank you to Nicola Bennett for her time and expertise in coaching the girls.

We look forward to seeing their continued progress, as some of the girls are going to take up golf and maybe even spot some future golfing stars in the making! Keep up the great work, Year 7 golfers!

Miss De Souza

Get an Instrument VAT Free Through AIPS

Available for all students learning an instrument in school.

AIPS is a school scheme that helps families buy musical instruments with support from the school.

Science Workshop

O n

Friday 25th April 2025, 30 year 6 children from St Pauls Primary School joined us at Winchmore school for a science workshop for the first time. The children were involved in different experiments including; using red cabbage indicator to test for acids and alkalis using household items. They also got to see the methane bubbles demonstration which they really enjoyed. The children were amazing, they knew so much about science and were so well behaved and so excited to be taking part. Thank you to all the science staff involved; Senior Science Technician Mr Amit Nagrani for preparing all the resources, Antonia, John, Miss Cetin and Mr Czemerys. A special thank you to all the children involved and the staff from St Pauls Primary School and we are very happy to be working with you and your school.

Thank you Dr Ktori (*Head of Science and Head of Chemistry*)

GCSE Exams & Preparation sessions Schedule

The scheduled Summer 2025 GCSE examinations for the week after half term are included below – students will need to refer to their own individual Exam Timetables for their specific exams. Each exam has at least 1 scheduled 'Exam Preparation' class which we would encourage all students to attend. *In addition, teaching staff will also be available during their regular 'scheduled' lessons throughout the exam season.*

Day	Monday 2 nd June	Tuesday 3 rd June	Wednesday 4 th June	Thursday 5 th June	Friday 6 th June

Free
Breakfast
for
Year 11!

We are offering **Free Breakfast to Year 11 Students** while they are taking their exams. They can pick up a piece of fruit with a waffle or a flapjack from 7.45am every morning.

Just show your lanyard.

Arrangements for the Exams

- Students will be expected to be in school in the Sports Hall Playground for 8:10am for morning exams. Please queue up in subject lines where it says '6th form' in the playground. We will be making a prompt start at 8.30am.
- For afternoon exams, you will need to be in the Sports Hall Playground for 12:40. We will be making a prompt start at 1pm.
- Before each Exam the Hand Bell will ring to signal students should be in their lines in the Sports Hall Playground and be quiet.
- In order to make a prompt start can you please make sure you already have your phones and watches off and in your bags as well as all electronic devices and airpods.
- **Have all your equipment ready** - Please bring all relevant equipment to each exam! 2 black pens, calculator, geometry set, ruler, highlighter etc. in a clear plastic pencil case/bag.
- **Lanyards must be worn** - so Invigilators can identify you.

Wildstock '25 Sunday June 1st 1pm

Registered Charity No. 1115021

Fun lovers - we also have the family Wildstock '25 on Sunday 1st June at Woodcroft Wildspace, N21 3PT.
Children under 12 are free entry [Wildstock '25 Tickets Here](#)

Playing we have Mark Page, JC-DT, Cats & Bats and ReproPatch !!!

The ever popular Wildstock is all about a fun family afternoon with a BYO picnic to listen to local folk musicians playing in the Woodcroft Wildspace Community and Events Meadow. Greater London Pub of the Year award winners The Little Green Dragon will be serving their finest refreshments.

The event is fundraising for Little Sparks Enfield, Cooking Champions, and Woodcroft Wildspace to help us fund the Wildspace so many enjoy

**It is a ticket-only event, where children under 12 go free.
We look forward to welcoming you with friends and family to
Woodcroft Wildspace – Wildstock '25 – 1st June 1pm to 5pm.**

What are you Reading?

I'm Miss Falconer and I am the Literacy Coordinator at Winchmore School.

It's really important that we encourage our students to foster a love of reading as it offers numerous benefits, from expanding knowledge and improving vocabulary to boosting imagination and creativity. It helps reduce stress by providing an escape, while also enhancing focus, concentration, and memory. Regular reading fosters empathy by allowing you to experience different perspectives and encourages lifelong learning. Overall, it is a powerful way to stimulate the mind and nurture personal growth.

Therefore I encourage you to pick up a book and start reading. Whether it's on the bus home, before you go to sleep, or while you're waiting to pick your sibling up from school. Expand your mind and discover something new. If you feel inspired,

I encourage you to write a short review of your book and send it to me at **madeleine.falconer@winchmore.enfield.sch.uk** and you will be published in the Winchmore Weekly!

WINCHMORE'S **WOW!** WORD OF THE WEEK

Simultaneous

Week beginning 2nd June

Word Class Adjective

Meaning Occurring, operating, or done at the same time.

- Examples**
- The orchestra's performance required **simultaneous** coordination from dozens of musicians.
 - During the science experiment, we observed the **simultaneous** change in temperature and colour.
 - Maths : Solve the following pair of **simultaneous** equations:

$$3x+2y=162$$

$$x-y=1$$
 - Solve the equations algebraically to find the values of x and y.
 - Show your working clearly

Available in the Library...

African Folklore - Helen Nde

Combining vivid storytelling, astonishing imagination and careful research, this is the ultimate collection of African folklore, with 50 entertaining tales and commentary from noted folklorist Helen Nde.

From creation myths and foundation legends to fascinating stories of human relationships and amusing animal tales, these stories provide a diverse look at the countries and cultures across the African continent. Noted folklorist Helen Nde also provides marvellous context for history and colonial influences for the stories.
