## Wishing you all a Restful Summer Break!

Dear Parents and Carers,

As we approach the end of another extremely busy and successful year for Winchmore School, I would like to take this opportunity to thank you all, once again for your continued support of our students, and the work done with them by our extremely hard-working staff. We are again expecting excellent results in this summer's examinations, at both Key Stages 4, and 5 where we are anticipating that the majority of our students will gain good university places; I am looking forward to seeing you all on results days and sharing in your success. I am sure that you will join me in thanking the staff for all of the extra hours they have put in to support our students, and their expertise in getting the best possible examination results.

Our work on providing students with an educational experience outside the classroom has continued with over 140 trips having been run this year, and in excess of 1200 students having attended at least one trip. Our data analysis tells us that students who go on school trips make better progress, and attain better grades than those who don't; I therefore want to thank you for your continued support in making sure your children make the most of the opportunities offered to them. As a result of this work, the school has received the prestigious Learning Outside the Classroom Award. The extra curricular offer available to our students remains the envy of the Local Authority, and continues to be a major factor in parents choosing to send their children to Winchmore School. We are just about to receive guests from our Chinese partner schools, with our students visiting China in October; I am especially grateful to the families who have agreed to host Chinese students, and to Mr Thompson for maintaining our flourishing partnership. As a result of this work, we were asked by the British Council to act in an advisory capacity with members of the Ugandan Government. We have also run trips to France, Spain, Germany, Italy, Snowdonia, Dorset, East Anglia, Devon just to name a few! I continue to receive emails daily thanking our staff and complimenting our students on their fantastic behaviour when they are representing the school. Our sporting performance has improved considerably with our students being Borough Champions in every age group, and many other notable performances including representing Enfield at Basketball in the London Youth Games, and being the current Middlesex Cup football champions.

The Arts continue to be a strength at Winchmore, with the fantastic performance of High School Musical, and the fantastic showcase of talent in the Winter and Summer Concerts; I am as always very grateful, and a little overwhelmed by the support you as families give these events, and the hard work, and time given by my staff to make these events as special as they are.

Our new sixth form centre is now complete, and in full use. It is a fantastic addition to our already excellent facilities. Work on refurbishing our changing rooms has been completed, and we are in the process of developing a new school gym for use by staff and students.

22.07.25

The inclusion faculty continue to be 'exceptional', and continue to be the leading faculty within the Local Authority with us expecting over 100 students with an EHCP in the school community next year.

I am delighted to report to you that we are once again one of the most popular secondary schools in Enfield for students moving from year 6, and have had over 1000 applications to join Year 12. This is thanks to the fantastic learning environment created by staff, students and you, the families who support our work.

On a personal note, I would like to thank you for all your support over the last year, and to refer once again to the words of an HMI who told me recently that children are lucky to come to this school, I would add that we are lucky to work at this school. I continue to be very proud of our community, especially our staff and students. I would like to wish you all a lovely, restful summer break, and look forward to seeing you all safe and ready for the New Year in September.

Mr Owen  
Headteacher

## *National Careers Competition Final and the Oli Leigh Trust Final*

On 8th July two Year 10 teams attended the NCC Finals at the Barbican in London. The teams were competing in two different challenges and both teams did incredibly well and were great ambassadors for Winchmore School.

In the afternoon staff and students attended the main NCC showcase featuring magician Ben Hanlin and Britain's Got talent winner, comedian Viggo Venn.

Many thanks to Mrs Cowen, Ms Liu, Mr Hughes and Mrs Winter for accompanying the students to the event and working with the students on their presentations.

## Summer Concert

On the evening of Thursday 10th July, Winchmore's performing arts faculty presented this year's summer concert, a wide variety of pieces performed by over 100 students from a range of year groups across dance, drama & music. Throughout the day, students and teachers persevered through the hot weather in order to bring their friends and family their best performances and indeed they did!

Brilliant comperes Nicholas Marinos & Aryan Alles introduced each piece with entertaining commentary and humour, keeping our audience engaged between each act. Backstage, a supportive and encouraging energy was bought by each student, a feeling of unity and friendship coming from all year groups. From Michael Jackson to Billie Elish, students performed dynamic and contrasting pieces showing the multi talented youth of Winchmore school and how they can come together to create a show full of creativity, talent and excitement.

## SUMMER Summer HAF Programme

A program offering a variety of engaging activities and workshops for young people aged 8 to 16.

### Activities Include

- Boxing & Physical Fitness
- Music Production
- Drama
- Hair & Nails
- Arts & Crafts

## EARLY CONNECT: SPECIAL EDITION

### SUPPORT WHEN YOU LEAVE SCHOOL OR COLLEGE

#### Do you know what you'll be doing after you leave school or college?

Early Connect is here to support you if you are looking for an apprenticeship. The Get An Apprenticeship Adviser link is open **for 17-18 year old students in school or college who**

**are:**

studying vocational courses  
taking A levels or  
re-taking their GCSEs.

We also know that you might not know what you want to do after you finish or that you could be keen to start working. We are listing the services you can access **once you have left school if you are not in employment, education or training (NEET).**

You can access support from the GLA UK Shared Prosperity Fund (UKSPF) programme. The Support for Young Londoners (SfYL) NEET programmes are aimed at **young Londoners aged 16-24.**

You can access our [videos](#) to find out more about how we can support you.

#### Are you looking for an apprenticeship?

The Get An Apprenticeship Adviser link is open. Students can access information and resources, bespoke workshops, mock interviews, CV surgeries, links to events & employer networking as well as one-to-one support. **If you are or will be 18 during this academic year** you are eligible to use the Early Connect service.

Check out the information about forthcoming events on the next page.

Rinova respond within 3 working days - so if you think you haven't heard anything, please check your spam folders.

[Get an Adviser](#)

#### Are you unsure about your next steps?

There are 13 projects across London, which all provide individually tailored support with the ultimate goal of supporting people to move into education, employment or training, the projects focus on building confidence, motivation and personal development through mentoring. They also provide a range of practical support such as CV and application writing, interview preparation, job coaching and brokerage, and support to gain qualifications.

**You can only access this support once you have finished school or college. If you would like the full list of available support please visit the link below.**
